

Maternity Reflexology Part 2 Workshop, Townsville Sun 8th & Mon 9th August, 210

Maternity Reflexology Course is designed to provide participants with a basic understanding of women's fertility and pregnancy, childbirth and post-natal care. It enables participants to use the principles and practices of reflexology to support these life experiences. **The course** is conducted over 2 x 2 day workshops (30 hours) and is a mixture of theory, discussion and practical work.

Part 2 workshop covers the Incoming soul and pregnant feet, birthing and the postnatal period including newborn baby care.

To qualify for the **Certificate of Competency in Maternity Reflexology**, participants are required to complete workshops, assessments, module assignments, four case studies and journal. For Certificate course, you will need to informally present 1 case study on the first morning (approx 10-15 minutes).

Interest Course. Reflexologists can choose to attend the workshops as an interest course only. A **Statement of Attendance & 15 CPD points per workshop** for RAA annual requirements will be issued at the end of each workshop.
